

THE MORNING APPEAL.

TUESDAY.....JANUARY 19

Eastern advertising Agent 230-234 Temple Court Building New York City, E. Kratz agent

WHY?

Why do Wall and Lombard streets have in their keeping the conscience of the people of the United States with regard to the struggling patriots of Cuba? Because Wall and Lombard streets also have in their keeping or control the money of two continents.

Why don't the Senate pass the Cameron resolution recognizing the independence of Cuba? Because the money powers of the United States and Europe don't want Spanish bonds repudiated.

Why have the failure of banks and bankruptcies increased since McKinley's election? Because the country has got the gold standard paralysis.—Silver Knight.

Cooney's Trial.

San Francisco, Jan. 18.—The preliminary examination of James J. Cooney, the ex-notary public charged with perjury in connection with the Fair will case, came up today. The defense asked a week's continuance, and was granted till tomorrow. District Attorney Barnes says that he at first intended to ask for indictments against Mrs. Craven and others, but has now concluded to await expected developments from the Cooney trial before taking action against the others. The prosecution contends that Cooney, Mrs. Craven and others entered into a conspiracy after the death of Fair to defraud the estate

Wholesale Brutality.

San Francisco, Jan. 18.—Three cases of women brutally assaulted were reported to the police today. The victims were Pehonia Quinones, a servant, who was assaulted by Julius Cohn, a son of her employer, and slashed with a knife on the head and face; Bella Noba, who was assaulted by Elin Swain and James Wilson, who were arrested on a charge of criminal assault; and Mrs. Mary Markey, who was stopped on the street last night and carried to a room where four men tried to assault her. For the last named assault Gus Sarger, Fred Gerhardt and William Bodernald are in jail. Bella Noba was also walking on the street, when she was stopped and taken to the office of a dentist, where the assault took place.

A Sunday Session.

Salem, Oregon, Jan. 17.—In the Senatorial fight and the dead-lock in the House is to be added the novelty of a Sunday session. Instead of adjourning until Monday the House adjourned to meet on Sunday. The meeting was simply to meet the requirements of the Constitution, which requires that with no quorum present the House shall adjourn from day to day. The session was very brief, lasting only fifteen minutes. As soon as the Benson men had secured an expression from the Speaker that he would not take advantage of their absence at adjournment was taken.

Three Banks Fail

Newport, Ky., Jan. 18.—The First National Bank failed to open this morning to the surprise of the business men. A run is anticipated on other banks.

Louisville, Ky., Jan. 18.—The German National Bank was closed today by the National Bank Examiner. The capital is \$270,000.

St. Paul, Jan. 18.—The Minnesota State Savings Bank closed this morning.

The finest quartz mill in Nevada is situated at the mouth of the Lander hill tunnel, in Pony Canyon, at old Clifton, and will be completed in a very short time, says the Austin Reville.

Senator Keyser received the vote of the Republican Senators for Speaker pro tem. He gallantly voted for McCone and the Senator from Storey returned the compliment.

The Governor's message was sent to the legislature yesterday and all agree that it was a plain, common sense document, full of good suggestions.
